## A / The / Another = ?

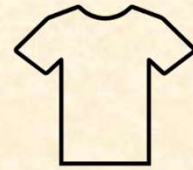

@leilas\_English\_lab 

I bought **a** t-shirt.

**The** t-shirt looks really good on me.

So, I bought **another** t-shirt.

An = یک other = دیگر **another** = یکی دیگر

## Examples for 'another'

@leilas\_English\_lab 

- Could I get **another** punnet of strawberries? These have gone bad.
- I have **another** hour to go, then I'll call it a day.
- Can you get me **another** charger? Mine is faulty.
- Give it **another** go.
- If you can't find what you're looking for, try **another** supermarket.
