

Dash and Dot Libs

Author(s): _____

Once upon a time, Dash and Dot wanted to build a dinosaur robot. Dash wanted the dinosaur

to and Dot wanted the dinosaur

to . They worked together to

make a design that they both liked. Then, they went

to to get parts for the dinosaur.

They took the parts to and

began building and testing. After many days of tinkering,

Dash and Dot finally had a

and dinosaur! They named

their dinosaur and painted

it . What do you think Dash and

Dot should build next?
