

Where Is Charles?

Ana has a new house,
A lovely new house.
A kitchen and a bedroom,
A lounge and dining room.

But Eric looks worried.
He's looking all around.
"Where is Charles?"
He cannot be found!

Chorus

*Where is Charles?
My little dog.
Is he here?
Is he there?
Where is Charles?
I can't see him anywhere*

Is he in the kitchen?
No, he isn't there.
Is he in the bedroom?
No, he isn't there.

Is he behind the curtains?
Let me look and see.
No, he isn't there
Where can he be?

Chorus

*Where is Charles?
My little dog.
Is he here?
Is he there?
Where is Charles?
I can't see him anywhere*

Look in the dining room.
Look under the table.
Look next to the window
Look everywhere!

But Charles isn't there.
Oh, where can he be?
"Come and look inside the lounge.
Come and look with me!"

Chorus

*Where is Charles?
My little dog.
Is he here?
Is he there?
Where is Charles?
I can't see him anywhere*

There is Charles!
There he is.
Now we know,
Where he is!

He's on the sofa,
In front of the TV.
He's between the two cats,
As happy as can be!

There is Charles!
There he is .
Now we know,
Where he is!

He's on the sofa,
In front of the TV.
He's between the two cats,
As happy as can be!
