

KNOWING GOD

1. **IDENTIFICATION:**
   Consider how the understanding of our identification with Christ impact ministry. How does identification with the redemption of Christ, rather than the brokenness of Adam, as a departure point, change our preaching, teaching, counselling evangelism, prayers and worship?

2. **INTIMACY:**
   Consider how the paradigm of distance and delay impacts ministry.

3. **INTEGRITY:**
   Explain your understanding of what it means to live from integrity. How would we change ministry in this regard? (Ephesians 4:1)

MAKE IT PRACTICAL!

4. Present a proposal as to how these concepts could be communicated in your ministry to your people through preaching
