

Love / loved-ones

Materials list

For this class you'll need:

- Collage-able items that speak to the theme. Use the prompt as a jumping off point for celebrating love in your life in the broadest possible sense. Go with a theme of self-love and collect images that speak to how you care for yourself / things that you love. Focus your zine on a loved-one and find images of all the things that make them happy. Your zine could be recipes from loved-ones. You could make a zine about your cats. Or photos of all your favourite people. A zine about your best friend... Etc.
- **Basic materials** (see page 5.)
