

(3) But it's only when you're at the line, you can see there are cars parked on either side of the road and a lorry on your side heading towards you.

**CLOSED JUNCTION**  
2) As you get closer you think it's still clear

**CLOSED JUNCTION**  
A closed junction is one WITH Buildings, Bushes or Brickwork close to it  
(1) So on approach the junction may look clear
