

PLEASE NOTE: You have the option to create a short or longer vest. Consider your workspace and layout time when choosing. Material list is provided for both options.

MATERIAL LIST

FOR SHORT VEST - Great for smaller workspace! Single table 30" (76 cm) x 96" (243 cm)

- Silk fabric: Up to 3 yards (2.75 meters) of 30" (76 cm) habotai/paj/chiffon or margilan, (5-6 momme maximum). Please do not mix fabrics because it will throw off your shrinkage rate.
- 6 ounces (170 gm) merino roving top, 19 micron or less. No more than two colours.
- silk scraps, silk fiber, silk hankies, bamboo or tencel fibers etc., for embellishment. 4 ounces (112 gm)
- 36" (91 cm) x 96" (244 cm) Nylon curtain, tulle or mosquito screen, permeable mesh to cover and wet fiber during construction. (optional)
- Olive oil soap or 7th Generation dish soap
- 36" (91 cm) pool noodle of 1.5" (3.8 cm)
- Scissors
- 6 ties (old nylon stocking is perfect)
- A measuring tape and calculator (plus note book)
- 30" (76 cm) x 96" (243 cm) bubble wrap surface (small-soft bubble type sold for shipping), OR non slip rubber grip mat
- 24" (60 cm) x 24" (60 cm) non slip rubber mat for sample making
- Pkg of .7 mil painters drop cloth style plastic
- 1 dish pan
- 1 small bucket with dipping cup or ballbrause or sponge
- at least 2 towels
- Table risers - You can purchase bed risers at many stores or simply use PVC pipes

MATERIAL LIST

FOR LONGER VEST - Using two tables side by side

- Silk fabric: Up to 3 yards (2.75 meters) of 45" (114 cm) habotai/paj/chiffon or margilan (5-6 momme maximum). Please do not mix fabrics because it will throw off your shrinkage rate.
- 8 ounces (226 gm) merino roving top, 19 micron or less. No more than two colours.
- silk scraps, silk fiber, silk hankies, bamboo or tencel fibers etc., for embellishment. 4 ounces (112 gm)
- 66" (167 cm) x 96" (243 cm) Nylon curtain, tulle or mosquito screen, permeable mesh to cover and wet fiber during construction. (optional)
- Olive oil soap or 7th Generation dish soap
- 66" (167 cm) pool noodle of 1.5" (3.8 cm) - You can tape two together

- Scissors
- 6 ties (old nylon stocking is perfect)
- A measuring tape and calculator (plus note book)
- 60" (152 cm) x 96" (243 cm) bubble wrap surface (small-soft bubble type sold for shipping), OR non slip rubber grip mat
- 24" (60 cm) x 24" (60 cm) non slip rubber mat for sample making
- Pkg of .7 mil painters drop cloth style plastic
- 1 dish pan
- 1 small bucket with dipping cup or ballbruse or sponge
- at least 2 towels
- Table risers - You can purchase bed risers at many stores or simply use PVC pipes
