Perfect-Ed Sheeran-Capo 1st fret (Key of Ab)

Capo Chords (G, D, Em, C) Original chords: (Ab, Eb, Fm, Db

- The song is technically played in 12/8 time, but the strumming patterns we have learned in this module will work perfectly (6/8 patterns)
- Before you attempt to play this song using fingerstyle, make sure you can strum the song first!
- As demonstrated in the tutorial, the Oasis chords sound very nice in this song (maybe play normal D!), but play whichever version of the chords you like
- Try the suggested pattern for every bar (double it for each chord)

- There are a few patterns to follow throughout most of the song
  - Here is the pattern for the verse. You play the line on repeat!

| G | G | Em | Em |

| C | C | D | D |

  - After you play the verse, play the following line on repeat for the prechorus:

| G | G | Em | Em |

| C | C | G | D |

  - Finally, here is the pattern for the chorus. Notice how you jump between chords quicker:

| Em | C | G | D |

- Make sure you listen to the song to identify where the 'pauses' or rests are

Further Development

- **Fingerstyle:** As discussed in the video, this song is best played using the fingerstyle pattern we learned in this module (T12321) Before you attempt this, make sure that you are know each part of the song well while strumming! As well as this, make sure you are very comfortable with your chord changes and that the fingerstyle pattern can be played automatically!
