Fancy
doing
something
later?

It depends on what you have in mind.

Are you
interested in
getting this
handset?

It depends on the price, the type of contract,
the number of minutes, the amount of data
and any other deals I can get.

Do you tend to shop online or in store?

It depends on what I'm looking for. If I'm shopping for shoes, I tend to go in the shop to try them on. If I'm shopping for a hat or a plain t-shirt, I tend to browse online.

Where are you hoping to go for your summer holiday?

It depends on the cost and types of holiday packages on offer. So the star rating, what board (self – catering, half – board, all – inclusive) and the accommodation are all important to me.
