

Extinction! Orangutan's Future - Extensions

LEVEL UP your coding skills with [Prodigy Learning](#) and their [Coding Credentials](#) program! The agent is an amazing resource in Minecraft that is often under-utilized by students. Consider checking out Prodigy Learning and their coding courses, and revisiting the lesson to use the agent to help with design challenges, such as building an elevator or creating a labyrinth in the museum gardens.

Credentials & Curriculum Pathway

Other Extension Ideas:

- Documenting using the Book and Quill to document their habitat for Orangutans.
- Recreating habitats for other endangered species.
- Becoming a curator for the research centre and creating and maintaining a “pod” for another habitat or biome.
