

Coding Coral Reef - Extensions

LEVEL UP your coding skills with [Prodigy Learning](#) and their [Coding Credentials](#) program! The agent is an amazing resource in Minecraft that is often under-utilized by students. Consider checking out Prodigy Learning and their coding courses, and revisiting the lesson to use the agent to help with design challenges, such as building an elevator or creating a labyrinth in the museum gardens.

Credentials & Curriculum Pathway

Other Extension Ideas:

- Doing more research on the different varieties of coral and try reproducing them using code.
- Creating patterns with code to cover the ocean floor with more coral.
- Adding other living species to create a complete ecosystems.
