This is what
your project
does.

This is the
Product of
your work.

→

Let's oversimplify your project
design.

Brief Bio

Draw a profile picture

what else do we know about this person?

Create a social media profile for a specific person that your project serves.
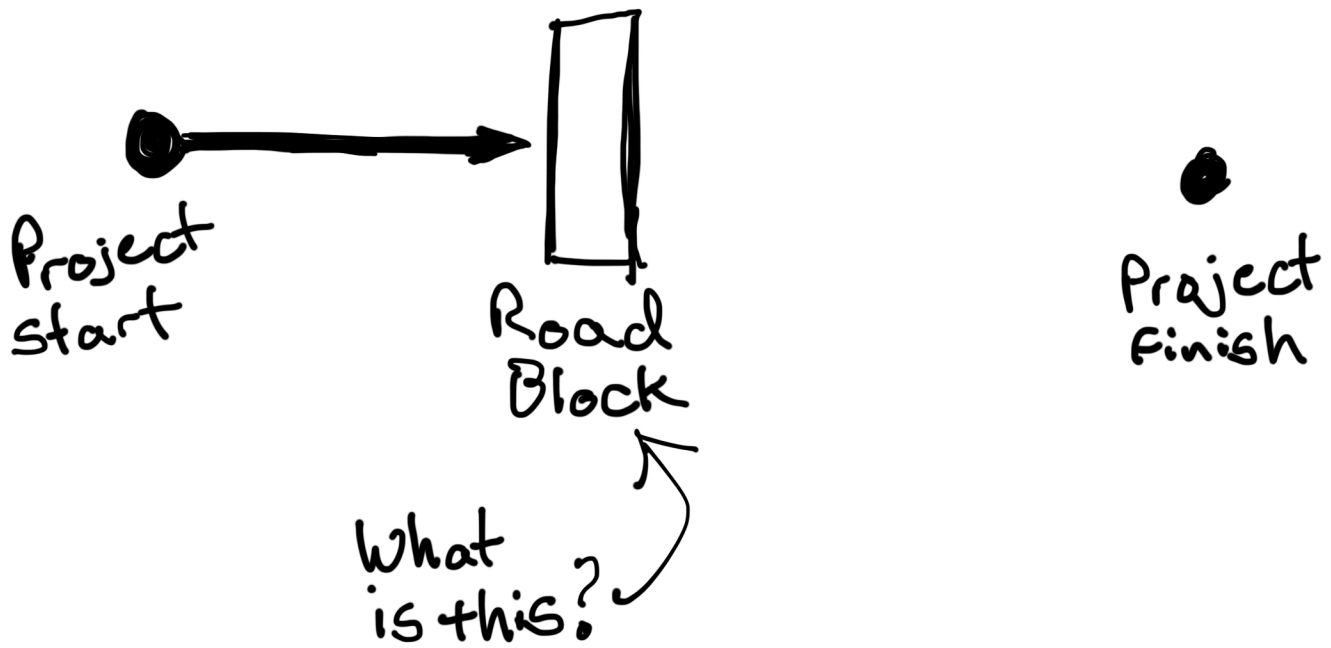

Thing One | Thing Two

Thing Three | Thing Four

Thing Five | Thing Six

diy data design

Write out six things your project does.
Now cut them out and sort by most important.

Project
Start

Road
Block

What
is this?

Project
Finish

The project is going along just fine, but then it hits a road block. What is the road block?

We Did it !

diy data design

The project was a success and everyone is celebrating. How do they know?
