

# **GOD'S ANSWERS FOR MENTAL ILLNESS 303**

## **STUDENT NOTES**

### **MODULE 1: Ministry to Sleep Disorders and Foundations of DID**

#### **INTRODUCTION**

#### **STUDENT NOTES**

**Welcome to God's Answer for Mental Illness 303.**

**In this course we will cover:**

1. How to pray for sleep disorders and deliver people from sexual demons
2. In depth education and prayer strategies for healing DID
3. How to restore memories, heal amnesia, and heal senile dementia
4. Ministry wisdom for how to handle difficult patients in prayer sessions
5. How to minister to complex cases of mental illness that require discipleship coupled with prayer

This course is designed to distill years of training and experience in ministering to mentally ill people so you can learn how to pray for these conditions with effect. I also want to train you in how to tend to vulnerable people in the midst of ministry sessions, and provide you with testimonies of breakthrough in complex mental health cases so you can see breakthrough in those to whom you will minister.

Let's get started.

#### **APPLICATION**

Gather your note-taking supplies and pray for God to open your spirit, mind, and heart to receive all the knowledge and impartation He wants to give you through this course.
