

NOVA SCOTIA – Curriculum Connections

Learning Outcomes Framework – Primary-6

<https://www.ednet.ns.ca/files/curriculum/P-6LOFs-Oct1-2015.pdf>

GRADES 4-6

- Students will develop an understanding of the nature of science and technology, of the relationships between science and technology, and of the social and environmental contexts of science and technology. (STSE)
- Students will construct knowledge and understandings of concepts in life science, physical science, and Earth and space science, and apply these understandings to interpret, integrate, and extend their knowledge. (Knowledge)
- TOC1.1.4: Students will be expected to use, with some teacher assistance, the terminology, features, and functionality of information and communication technology, grade-appropriate digital tools, and authorized educational networks to achieve grade-level curriculum learning outcomes.

GRADES 7-8

Technology Education
