- Brushes: 3/4 or 1" flat, #4 flat, #8 or #10 medium round brush, #1 detail brush and/or #0 liner brush, 5/8" stencil brush

Tips for Success

- Watch each step, then pause the video and complete that step.
- If you are in a hurry to get to the next step, use a blowdryer to dry your canvas.
- Relax and enjoy. Every painting will look different. Yours does not have to look like mine.
