"Iron Man" (2008) is a superhero movie that started the Marvel Cinematic Universe (MCU). **Directed** by Jon Favreau, it **stars** Robert Downey Jr. as Tony Stark, a **rich** businessman and talented **inventor**. The story follows Tony Stark, who is **captured** by a **terrorist** group while showing a new missile in Afghanistan. Using his **smartness** and **resources**, he builds a **high-tech** suit of **armor** to escape.

When he returns to the United States, Stark improves the suit and uses it to fight against evil as Iron Man. The film looks at **themes** of **redemption**, **duty**, and personal growth. It shows Stark's change from a **self-centered** playboy to a hero who is **committed** to protecting the world.

"Iron Man" can be watched on several **streaming services**. It is available on Disney+, which requires a **subscription**. The film can also be bought on Amazon Prime Video and **rented** or bought from Apple TV and Microsoft Store. This makes it easy for viewers to watch the film on different **devices**.

The movie is **praised** for its interesting **storyline**, strong **performances**, and its **role** in creating the MCU. Robert Downey Jr.'s acting as Tony Stark is admired for its **charisma** and emotional **depth**. The film **combines** action, humor, and character development, making it a **standout** in the superhero **genre**. Overall, "Iron Man" is highly recommended for those who enjoy movies that mix action with thoughtful storytelling. Its impact on the superhero genre is important, providing an **engaging** watch for anyone interested in well-made films.

Grammar Corner

1. The story follows Tony Stark, who is captured by a terrorist group while showing a new missile in Afghanistan.

關係子句 (who is captured by a terrorist group) 提供了關於 Tony Stark 的額外資訊，所以 who 前面有個逗號。主要的句子是 The story follows Tony Stark。

2. When he returns to the United States, Stark improves the suit and uses it to fight against evil as Iron Man.

主要的句子是 Stark improves the suit and uses it to fight against evil)，時間副詞 (When he returns to the United States) 告訴我們時間，也可以把時間副詞放到最後：Stark improves the suit and uses it to fight against evil as Iron Man when he returns to the United States.
