

Lesson 2: Sin, Transgression, Iniquity & Generational Curses — Journaling With God

Use this page to journal, reflect, and hold a real conversation with God as you study this lesson.

Lord, reveal any sin, transgression, or iniquity in my bloodline that You want to expose and heal.

Father, show me any generational patterns that have attempted to repeat in my life.

Holy Spirit, where have I personally opened doors through sin, agreement, or disobedience?

Jesus, what truth and cleansing do You want to apply to my bloodline today?

Lord, what step of repentance, renunciation, or obedience are You calling me into this week?
