

### **Course Title**

The Fertility Clinic Course

### **Course Description**

This course is designed to teach the nurse practitioner how to provide fertility care to both men and women! In addition to the clinical components of fertility care, this course will teach ALL the business components of starting a fertility practice and/or how to integrate this service into an established practice.

### **Course Outcomes**

By the conclusion of this module, the student should be able to:

- Understand a variety of infertility treatment options that can be prescribed by the nurse practitioner.
- Diagnose a variety of causes of infertility.
- Understanding the signs and symptoms of infertility amongst men and women.

Contact hours awarded: 7 total hours with 2 hours designated as pharmacology hours

Release date: 7/21/23

Expiration date: 7/21/26

*The Elite Nurse Practitioner is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.*
