

Peace with Nature - Extensions

LEVEL UP your coding skills with [Prodigy Learning](#) and their [Coding Credentials](#) program! The agent is an amazing resource in Minecraft that is often under-utilized by students. Consider checking out Prodigy Learning and their coding courses, and revisiting the lesson to use the agent to help with design challenges, such as building an elevator or creating a labyrinth in the museum gardens.

Other Extension Ideas:

- Consider suggesting bringing in The Agent to code parts of your habitat.
- Consider maybe giant glass spheres or lettering that can be incorporated in your builds.
- After employing Prodigy Learning's Coding in Minecraft services your students can master the skills of The Agent and let their robot assistant build a part or most of their challenge entry or lesson solution.
