

The Excavation Site: Extensions

LEVEL UP your coding skills with [Prodigy Learning](#) and their [Coding Credentials](#) program! The agent is an amazing resource in Minecraft that is often under-utilized by students. Consider checking out Prodigy Learning and their coding courses, and revisiting the lesson to use the agent to help with design challenges, such as building an elevator or creating a labyrinth in the museum gardens.

Credentials & Curriculum Pathway

Other Extension Ideas:

- Students could create own dig sites and have other students excavate their sites
- Students could do a Teams call with an Archaeologist
- Students could FlipGrid with an Archaeologist
- Students could create or visit a real Archaeologist site
