

## **Course Title**

The Online Coaching and Consulting Business Course

## **Course Description**

This course is designed for the nurse practitioner who is looking for the training and information necessary to open an Online Coaching and Consulting Business or integrate these services into their already existing practice. This course discusses the business components of an Online Coaching and Consulting Business to include administrative and marketing considerations. The course provides an in-depth review of providing coaching and consulting services within your scope of practice. The potential liabilities, legalities, and regulations of an Online Coaching and Consulting Business will be also reviewed.

## **Course Outcomes**

By the conclusion of this module, the student should be able to:

- Discuss the difference between the coach, consultant, and being a licensed healthcare professional
- Understand the legal and regulatory considerations of providing consulting services within your scope of practice
- Understand how to create an online business with LLC formation
